

OAI CORE Knowledgebase: Year 2 Q1 Progress Report

Reporting Period: April 1 - June 30, 2026

Operational Foundation & Digital Infrastructure

Milestones

- Advisory committees commenced first annual meeting
- Hosted breakfast workshop at OARSI 2026 World Congress on Osteoarthritis
- Continued hosting live OAI.edu webinar sessions

Strategy

Q1 focus has been on community outreach through a growing online presence (website, LinkedIn, live webinars) and research presence (publications, conferences) and outreach to professional organizations.

Digital Infrastructure

Launch Status: oaiknowledgebase.com - Live as of **August 29, 2025**

Current Features (Live):

- Engagement Services: Office Hours, BRAC application help
- State of the OAI report
- OAI.edu: Live webinar recordings, video tutorials
- Other: Committee charters, SOP dataset generation, publication tracker

In Development:

- OAI Explorer: Beta testing completed (Oct 2025)
 - Variable finder, data summaries
- Learning Lab: Practice datasets for classrooms
- OAI Connector database
- OAI Code Library

Yr 2 Q1: April 1 - June 30, 2026

Yr 1 Q4: Jan 1 - Mar 31, 2026

Year 2 Action Items

Deliverables, Milestones, Events

Immediate Deliverables

- Launch OAI Explorer
- Launch OAI Learning Lab
- Launch OAI Connector
- Release State of the OAI Report (2025)

Next Steps

- Recruit OAI Ambassadors
- Accelerate biospecimen database development
- Develop OAI Code Library
- Hold focus groups

Events

- Fall 2026 OAI.edu Webinar sessions
- ACR 2026 Conference

Year 2 Q2 Proposed Strategy

- Q2 will prioritize rolling out proposed website resources including the OAI Explorer, OAI Connector, and OAI Learning Lab
- The OAI CORE team will concentrate on promoting these features to a broader audience through conferences, marketing campaigns, and recruiting OAI Ambassadors.
